

CONFIDENTIALITY

Word Nerd Editorial automatically enters into a confidentiality agreement with you when you sign on to let us meet your editing, writing and proofreading needs.

Word Nerd Editorial Owner and Editor, Tamryn Spruill, has handled documents for most major U.S. and international corporations throughout her years of employment in the newsrooms of a top national wire service and at a well-renowned Manhattan corporate law firm. Ms. Spruill understands the need for privacy protection and places utmost importance on maintaining the confidentiality of clients served by Word Nerd Editorial.

Word Nerd Editorial uses a secure network and client information is protected at all times, in both digital and hardcopy forms. Further, the highest standards are placed on protecting your intellectual property. Thus, the documents we edit, write or proofread for you – are *yours*.
